

Need a little support?

Sales Director Debbie Klett suggests these super-soft prenatal and postpartum pillows

"This Boppy is meant for mom. In bed, it fits under your belly and between the legs. Plus it gives you back support while lounging on the sofa."

Boppy Total Body Pillow,
\$55, destinationmaternity.com

"Designed for nursing, these versatile pillows filled with buckwheat hulls are perfect during pregnancy, too. Plus they're totally organic!"

Blessed Nest 100% Organic Nursing Pillow and Nest Egg in Let it grow, \$99 and \$42, hazelwoodchildren.com
